**RE:** WORKERS' COMPENSATION BENEFIT SCHEDULE- 2019

**DATE:** November 2, 2018

The Education and Workforce Development Cabinet, Office of Employment and Training, has certified that the average weekly wage for Kentucky for calendar year 2017 was \$868.47. Based upon that information and in accordance with KRS 342.143, the following determinations are made:

1. The increase in maximum income benefits under all provisions of the workers' Compensation Act for the year 2017 over the year 2016 did amount to \$2.00 or more; therefore, the maximum weekly indemnity benefits for calendar year 2019 shall be \$955.32.
2. There was an increase of \$1.00 or more in minimum income benefits; therefore, the minimum weekly indemnity benefits, where applicable under the Act, shall be \$173.69 for calendar year 2019.
